Common Armoured Vehicle System

SELECTED PROJECTS EDIRPA 2024

CALL TITLE:

EDF-EDIRPA-2024-FNLC-LSP

MAXIMUM EU CONTRIBUTION:

60,000,000 €

SHORT DESCRIPTION OF THE PROJECT:

The project aims to support the common procurement of modern 6x6 armoured vehicles. The project falls in the context of the Common Armoured Vehicle System (CAVS) multinational programme for development, procurement and life cycle management of modern armoured vehicle system. It is based on similar capability needs between the participating Member States, which generates foundation for further cooperation and added value. The CAVS Programme has already given new start to European 6x6 armoured wheeled vehicle serial manufacturing and it keeps ramping up the production capability in Europe.
